Dates for your diary

We've had a wonderful start to the term at St Mary's. This week we celebrated Anti-Bullying Week, focusing on the importance of respect for one another. To highlight our uniqueness, the children wore Odd Socks on Tuesday - reminding us that our differences make us special. It's been inspiring to see everyone embracing these values and fostering a supportive school community. This also links in with this term's Christian Value, which is Forgiveness - guiding our interactions and relationships. Thank you for your continued support as we encourage our pupils to explore, enjoy, and excel in all they do!

Connected curriculum showcase

On the 4th of December you are invited to celebrate children's learning from terms 1 and 2. Across the school we have been working within our Peace and Conflict theme to answer some big questions. The school will be filled with a gallery of artwork and writing produced by every child. The children have been working really hard to plan, edit and produce their work to demonstrate their learning. You will be able to find out more about their big question and learning journey, you will also be able to see the learning in their curriculum books in each classroom.

The event will start at pick up time and more information will follow. We look forward to seeing you there.

Well done to the following children for receiving a celebration certificate in the last few weeks.
